On February 5, 2021, this officer received a call from Wade Benge, a substance abuse disorder professional at Yakama Nation Tiinawit Program. Mr. Benge reported he obtained an inpatient bed date for Mr. White for February 11, 2021. However, he could not make contact with Mr. White and asked if this officer could provide the information to Mr. White. After multiple attempts to contact Mr. White, on February 9, 2021, this officer spoke with Mr. White and he was informed of his inpatient bed date at ABHS. Mr. White was instructed to report to the Washington State Department of Corrections' office in Yakima, Washington, on February 11, 2021, at 12 p.m. so he could be transported on the ABHS shuttle to his assigned inpatient treatment facility. Mr. White was instructed to sign release of information documents to allow this officer to verify his treatment status.

On February 16, 2021, this officer contacted ABHS and was unable to verify if Mr. White showed up to his scheduled bed date as there was no release of information in place to disclose any information with this officer.

On February 19, 2021, Mr. Benge contacted this officer and reported he verified with ABHS that Mr. White failed to show up at the facility on February 11, 2021, and was not a patient.

This officer made several attempts to contact Mr. White with no success. He has failed to contact this officer. Mr. White's current whereabouts is unknown.

**Special Condition #4:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

On December 14, 2020, Mr. White spoke with this officer upon his release from custody. Due to COVID-19 precautions, Mr. White reviewed and verbally acknowledged his judgment and sentence, which outlined the conditions of his term of supervised release.

On January 22, 2021, Mr. White reported to Merit Resource Services (Merit) for urinalysis (UA) testing. Mr. White could not provide a urine sample. He admitted to the UA technician that he had consumed methamphetamine. Mr. White reviewed and signed an admission of use form admitting to ingesting methamphetamine.
